

# Grohmann Museum Basement

Nancy Ismail & Debra Nygren

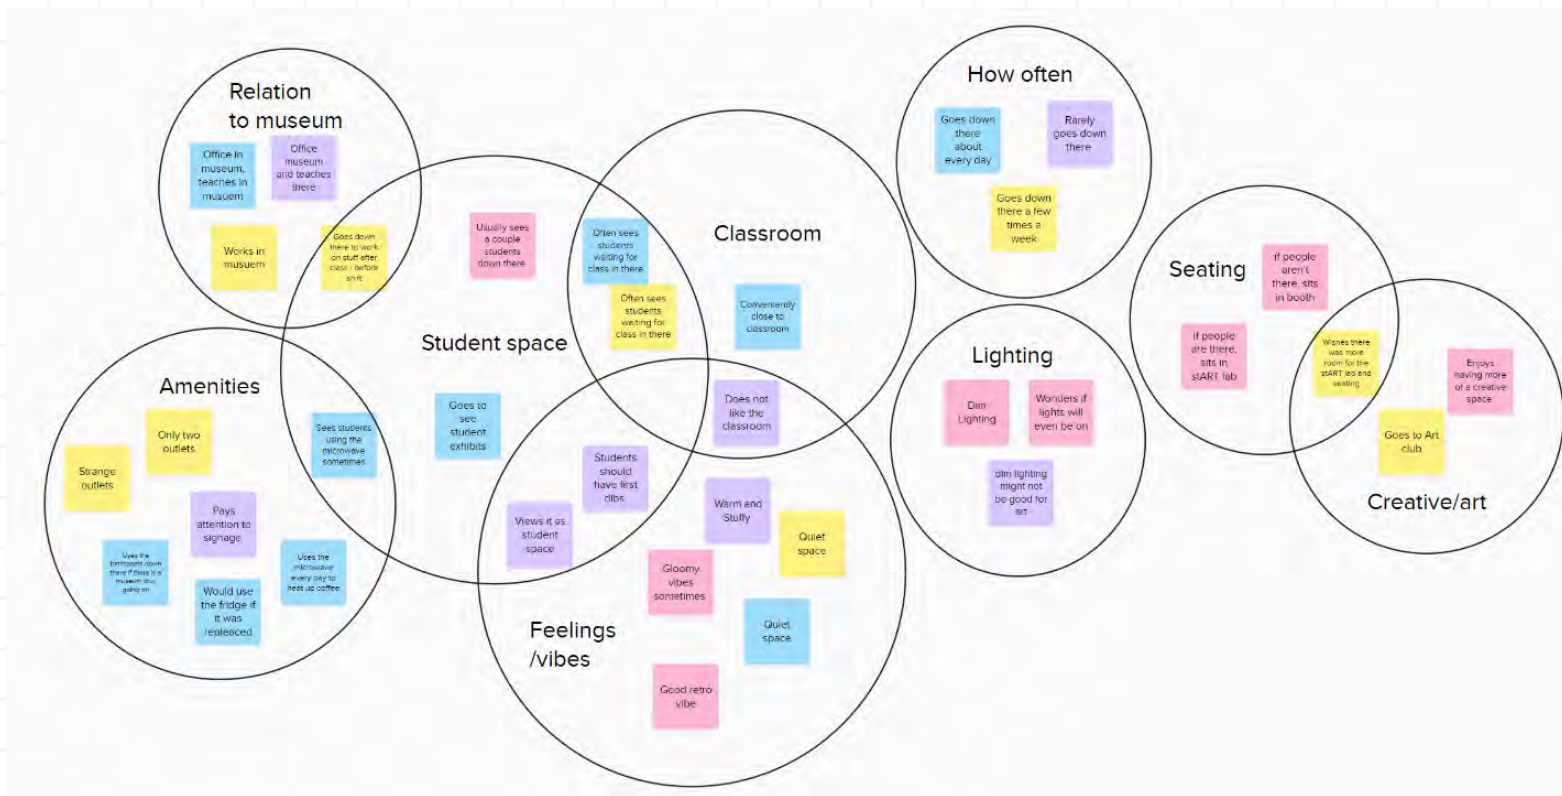

# Why this space?

- Many UX classes in that building
- Personal attachment
- Some problem areas
- Students don't give it much attention

# Interviews

- 2 students and 2 professors who frequent Grohmann Museum
- Virtual and In person

# Insights & Recommendations

What works	
	Respectful & Quiet
	Close to classroom
	Amenities
	Unique compared to other spaces

What doesn't work	
	Dim Lighting
	Hot Temperature
	Limited Outlets
	Strange Seating

# Takeaways

- No polarizing feelings
- Multiple issues solved by change of lighting
- Has room for potential

Thank you!
